

# ARCIERI PRIMIEROTTI

The new round "LE GUANE" in Trentino, with 24 stations, is settled in the beautiful VAL CANALI, near the visitor centre of the Paneveggio-Pale di San Martino Nature Park. The round is about 2,5 Km long, with a hundred metre rise. The shots are not extremely long but they are technical. It is a medium-difficulty round in an exciting and realistic surrounding.

Within a minute from the round you can find good typical local food at the AL CACCIATORE restaurant, where you can also have accommodations. Nearby, 500m. far, if you like camping, you find the excellent "CAMPING CASTELPIETRA"
